Select your preferred voyage from Hurtigruten's 2012 brochure and **PROJECT TRAVEL** will arrange the entire package for you, priced in Euro including flights from Ireland plus any required extra nights pre- or post-voyage to allow for airline schedules and/or extending your visit to Norway.

Choose from the **10 night Discovery Round Trip Voyage** or the **6 night Voyage North** along Norway's western seaboard from Bergen to Kirkenes. All voyages are on a **full-board** basis. A 5 night Voyage South is also available - please ask for prices.

The Discovery (round trip) packages have an extra night pre-voyage in Bergen and post-voyage in Trondheim. The 6 night Northbound voyage package has an extra night pre-voyage in Bergen and one post-voyage in Oslo. These extra nights are included in the prices shown. All prices are per person and based on 2 people sharing. Departures from Cork are possible, a small supplement applies.

The **Special Offer** packages are identical to the standard Discovery and Northbound voyages and you can still opt for an inside or outside cabin, however, you will only be allocated your precise cabin category when boarding.
