### EURO PRICES !

INCLUSIVE OF FLIGHTS,  
EXTRA NIGHTS, ETC.

For travel between October 2011 & March 2012

Select your preferred voyage from Hurtigruten's 2011/2012 brochure and **PROJECT TRAVEL** will arrange the entire package for you, **priced in Euro** including flights from Ireland plus any required extra nights pre- or post-voyage to allow for airline schedules and/or extending your visit to Norway.

The best value and best chance of seeing the **Northern Lights** is on the **11 night Round Trip Voyage** since you spend more than 5 nights above the Arctic Circle. You can also opt for the **6 night Voyage North** along Norway's western seaboard from Bergen to Kirkenes, or the **5 night Voyage South**. All voyages are on a **half-board** basis. **No single supplement** applies on the ship for departures between October and December 2011.

The Round Trip and South bound packages have an extra night post-voyage in Bergen. The latter also has an extra night pre-voyage in Oslo. These extra nights are included in the prices shown. A small single supplement applies for the hotel(s); please enquire for details.
