

SKI & SNOWBOARD IN NORWAY

For those who are passionate about winter snow sports and prefer to spend their time skiing and snowboarding rather than queuing - you can get more action packed into a few days in Geilo than a full week in other destinations. Geilo offers guaranteed snow, slopes for all levels, kid's club, Norway's longest toboggan run, an Adventure Park (including zip lines), night skiing, snowboard parks, cross country skiing, spas, restaurants, etc.

5-nights self-catering from €562 per person sharing

Valid from January - April 2011

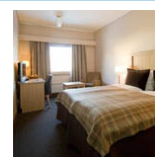

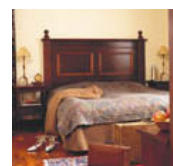

Geilolia Ferieleiligheter

Geilolia Hytte

Dr Holms Resort & Spa

Thon Hotel Highland

The best value luckily combines with the best skiing options. Travel to Geilo on a Sunday, stay 5 nights getting 4 full days on the snow and then head home on the Friday. Because most of the Norwegians are hard at work during this time it means the slopes will not be crowded and you'll have all the time you want skiing and none queuing for the lifts.

Project Travel offers self-catering as well as 3* and 4* hotel packages in Geilo. Most of our packages are based on 5 nights but longer stays may be priced on request. For really great value check out the discounted equipment hire rates available on certain dates.

Subject to availability. Prices correct at time of print (Oct 10). E&OE.
