

EARLY BOOKING OFFERS ON NEW HURTIGRUTEN EXPEDITION CRUISES IN 2020/21

Hurtigruten is expanding the world's greenest and most extensive expedition cruise programme with a number of new and unique destinations. If you book early, **before 31 March 2019**, you can **save up to €1250 per person**.

-  The inaugural season of the ground-breaking hybrid powered and eco-friendly *MS Fridtjof Nansen* – exploring the unspoiled and raw beauty of Antarctica, Greenland, Iceland and the Norwegian coast.
-  The widest ever selection of Antarctica voyages – with more than 30 different itineraries to choose your perfect adventure to the white continent.
-  An extreme makeover for Hurtigruten expedition favourite, *MS Fram* – that will re-emerge as a brand-new expedition ship.
-  And most notably: The summer of 2020 will see Hurtigruten explore the Alaskan wilderness with a series of expedition cruises on board the brand-new and hybrid powered, *MS Roald Amundsen*.
