The *MS Roald Amundsen* is one of Hurtigruten's two new ships built specifically for expedition cruises around the globe. She features Hurtigruten's revolutionary **battery hybrid powered propulsion system** making her quieter and more environmentally friendly than standard ships. **All cabins are Outside category**, 50% have private balconies, some suites feature private outdoor Jacuzzis with spectacular views. The core of the onboard experience is the **Amundsen Science Center**, an 'edutainment' venue where guests and crew meet to create a deeper understanding of the areas explored. It is also the on board HQ for the Expedition Team, a hand-picked team of specialists and modern-day explorers. Highly experienced, passionate and knowledgeable, the Team will be your guides and guardians on your voyage of exploration, instructing you on safety, sustainability and science.

Please note, the voyage prices shown above do not include:

- Return flights Dublin/Vancouver including one checked bag per person (estimate from approx €750 pp)
- travel insurance
- Luggage handling
- Transfers and optional excursions
